NONLINEAR SYSTEM IDENTIFICATION USING LYAPUNOV BASED FULLY ...

Fri, 05 May 2017 23:54:00 GMT

nonlinear system identification using lyapunov based fully tuned ... using radial basis function neural networks ... for the flight control system ...

ADAPTIVE BACKSTEPPING DESIGN FOR A LONGITUDINAL UAV MODEL ...

Fri, 12 May 2017 21:16:00 GMT

utilizing a fully tuned growing radial basis function ... of basis functions and tune only the weights. in this paper we present a backstepping neural network ...

ON-LINE IDENTIFICATION OF A MUNICIPAL SOLID WASTE ...

Sat, 29 Apr 2017 16:16:00 GMT

... of a municipal solid waste incinerator by fully ... tuned radial basis function neural networks ... function neural networks for flight control.
